Effect of biogeochemical process on $^{239,240}\text{Pu}$ distribution in an ocean general circulation model

Tuesday, 10 September 2019 14:40 (20 minutes)

Primary author: Dr TSUMUNE, Daisuke (Central Research Institute of Electric Power Industry)

Co-authors: Prof. AOYAMA, Michio (University of Tsukuba); Prof. HIROSE, Katsumi (Sophia University); Dr TSUBONO, Takaki (Effect of biogeochemical process on $^{239,240}\text{Pu}$ distribution in an ocean general circulation model); Dr MISUMI, Kazuhiro (Central Research Institute of Electric Power Industry)

Presenter: Dr TSUMUNE, Daisuke (Central Research Institute of Electric Power Industry)

Session Classification: Poster Session 1A
